Subject – Internship offer letter for UI/UX Design.

Harsh,

This is to certify that Harsh Vardhan had joined Zyme on 1<sup>st</sup> November 2021 as an UI/UX design intern and has completed his internship of 2 months on 1<sup>st</sup> of January 2021. In this period harsh has built us the UI of MallEazy app and has also worked with us on implementing the UX of the same.

Over the period of the internship, harsh has applied real world knowledge in the field of Graphic design to improve and grow the quality of graphics both in app and on other channels. We were pleased to work with Harsh during this period and wish to work with him in the future as well.
